

Volunteering with Scouts Canada is easy, fun and flexible. As long as you're over 18, you can help out as an adult volunteer. You'll be supported by a team of dynamic Volunteers who get as much fun out of Scouting adventures as the youth they mentor. We'll provide the training and adventure. You provide the enthusiasm.

DO YOU WANT TO GIVE BACK TO YOUR COMMUNITY AND SEE RESULTS EACH TIME YOU CONTRIBUTE?

“ Why do I volunteer? To see the smiles on their faces when they complete something new. I’m also learning every day and having a blast. ”

Scouting is growing in popularity, with increasing numbers of boys and girls joining our adventure-based programs. As they progress through Scouting’s unique challenges and adventures, kids develop into confident and capable individuals.

But the demand from young people far exceeds the numbers of adult volunteers we have available to help. Each year, thousands of youth in your community sit on waiting lists, hoping to join their friends.

We need your help to allow more young people to experience the challenge and adventure of Scouting. At the same time, we’ll help you challenge yourself.

ARE YOU LOOKING TO BUILD YOUR PROFESSIONAL SKILLS AND EXPAND YOUR NETWORK?

Besides helping young people to develop and grow through first-time adventures, our volunteers are exposed to a wide range of different activities and new experiences themselves. You don’t need previous experience in Scouting, just energy and enthusiasm.

Are you a student looking for an internship that aligns with your educational path, or a recent grad trying to kick-start a career? We have Scout Groups that can give you hand-on experience. Preparing for a professional designation in accounting? Consider serving as a Group Treasurer to keep your skills sharp.

Given our size and scope, Scouts Canada can offer a big range of opportunities to develop your skills, expand your network and enhance your CV.

“ It seems like almost every day, I draw on the skills and experiences I’ve gained through Scouting in my professional life. ”

“ I’m giving youth opportunities to gain the life experiences that they can’t get anywhere else. It give me a reason to always be on my ‘A’ game. ”

WONDERING HOW YOU CAN HELP GIRLS AND BOYS ON THEIR LIFE JOURNEY?

Whatever your age, abilities and skills, there are many ways in which you can give your time to help Scouting. Most of our volunteers have full-time jobs or study and help out on a flexible basis, working around their other commitments.

Have a passion for the outdoors or a specific activity like biking, canoeing or climbing? You could work as a resource Scouter with multiple groups and introduce a new generation to your sport. It only takes a few hours a week or one day a month.

We need volunteers to help young people experience the challenge and adventure of Scouting. Simply let us know your availability and how much you would like to help and we will match this to roles within your local area.
