

Canadian Rover Scout Award

You have been on a journey of self-discovery and learned to navigate your world as a young adult. Your peers in the Rover Crew believe that you have shown the ability to live the Scout Law while helping others find their own paths.

As you continue your journey, we hope that your experiences in Scouting can help guide your way.

In recognition of all that you have accomplished, and as an encouragement to continue fulfilling your potential, I am pleased to confer upon you the Canadian Rover Scout Award
