Youth-led THE "HOW" OF SCOUTING

PLAN
Sections plan their activities, considering the who, what, where, when and how. A risk assessment is part of every plan.

As Scouters, we ensure that activities are conducted safely. Acquiring knowledge and developing skills helps Scouters to administer great, safe Scouting adventures.

DO
Sections practise the skills relevant to their planned adventure, then do the activity.

As Scouters, we facilitate (rather than deliver) Scouting activities.

REVIEW
Sections evaluate and celebrate their adventures, identifying useful lessons.

As Scouters, we regularly review Scouts' development in the SPICES.

PLAN-DO-REVIEW

USING SPICES
Scouts are aware of their own personal growth and progression.

SPICES THE "WHY" OF SCOUTING

USING SPICES
Scouts are aware of their own personal growth and progression.

As Scouters, we enable Scouts to showcase personal progression and skill development to parents.

HAPPY, WELL-ROUNDED SCOUT

SPICES

As Scouters, we understand the role of badges and recognize learning and personal development appropriately.

As Scouters, we understand that Adventure is not synonymous with challenge.
