

Let's go Snowshoeing!

Snowshoeing is a fun winter activity that's been enjoyed in Canada for centuries. It's also a great way for your Troop to get out and make the most of winter!

As a Patrol, get to work planning your snowshoeing Adventure. Think about all the details that will make your outing a ton of fun: where you want to go snowshoeing, what you need to bring, how you're going to get there, and what you're going to have for a snack. Once every Patrol has a plan, come together as a Troop to compare notes, then take the best parts from each Patrol's plan. This could mean choosing a location suggested in one plan and a snack suggested in another, and so on.

It's unlikely that everyone in your Troop will have snowshoes. A local school might have snowshoes that your Troop can borrow or rent, or you can probably rent from an outfitter or retailer in your area, like MEC. Have fun!
