

Sand Sculptures

RASCAL'S RIVER Creative Expression

The Adventure:

A visit to the beach can be a lot of fun. We all enjoy building sandcastles, but there are other creative things that you can try with sand.

As a Colony, come up with a theme for sand sculptures. When the Colony has agreed on a theme, split up into Lodges to make your sculptures. The Lodges might make sandcastles, animals, or vehicles like cars and airplanes. What else can you imagine making out of sand?

Safety note:

- Because you are playing near the water's edge for this adventure, consider this a water activity. How can your Lodge stay safe for any adventure on or near the water?
- Usually when we go to the beach, it's on a bright, sunny day. What do you need to remember to stay safe when you are out in the sun?

Plan:

- When and where will you have this adventure?
- What do you need to bring?
- What will you make?
- What other things can you do at the beach?

Do:

- Create some amazing sculptures out of sand.
- Your Lodge might want to make more than one sculpture. What can you do differently with the sand?
