The Adventure:
Show off your personal style by making your own vinyl or leather braided bracelet.

Do:
• Make your own braided bracelet. Have a friend tie it on your wrist as a symbol of your friendship.

Review:
• What do you know now that you did not know before?
• How would you describe this experience? Did you have fun? Why or why not?
• How else can you use the skills you've learned for this adventure?
• What would you do differently next time?

Safety Note:
• When cutting the gimp for your bracelets, do so under the supervision of your Scouters.
• What should your Lair do to prevent any accidents? How will you react if somebody gets hurt? What should you have on hand in case of an injury?

Plan:
• When and where will you share this adventure?
• What materials and tools will you need?
• Do you know how to make a braided bracelet? Does anyone in your Lair? If not, how can you learn?
• How long will this activity take?
