The Adventure:
How often do you visit your local library? For some Cub Scouts in your Pack, going to the library might be something they do a few times a month. Other Cubs might not have ever been at all. This is a great chance for Cubs who know their library to show others around. What is your favourite part of going to the library?
As a Lair, organize a library scavenger hunt for the other Lairs in your Pack. Create a list of interesting things that all the Cubs can try to find. What is the oldest book you can find? The newest? The funniest? The strangest? Are there pamphlets for any events? Does the library give away bookmarks?
If you don’t have a library card, this visit will be a good time to get one. And you can all have a look at the books and see if there’s something you want to borrow and read. What else can you find in a library?

Plan:
• When will you have this Adventure?
• Where will you go? How will you get there?
• Is there anything you need to bring?
• Who are the library experts among the Cubs?
• What items will be on your scavenger hunt?
• What do you need to remember when you visit the library?

Do:
• Visit your local library and explore it in Lairs while doing your scavenger hunt.

Review:
• What do you know now that you did not know before?
• How did you feel before, during, and after this activity?
• Are you more likely to visit your local library in the future?
  Why or why not?
• Why are libraries important?

Online Support:
• Toronto Public Library
• Calgary Public Library
• Vancouver Public Library
• The Library of Parliament
• Vancouver Public Library: The Green Roof
• Halifax Central Library

Safety note:
Like any other outing, don’t forget to use the buddy system.
