

Tales from the Wall of Weird!

ELEPHANT TURF Citizenship

The Adventure:

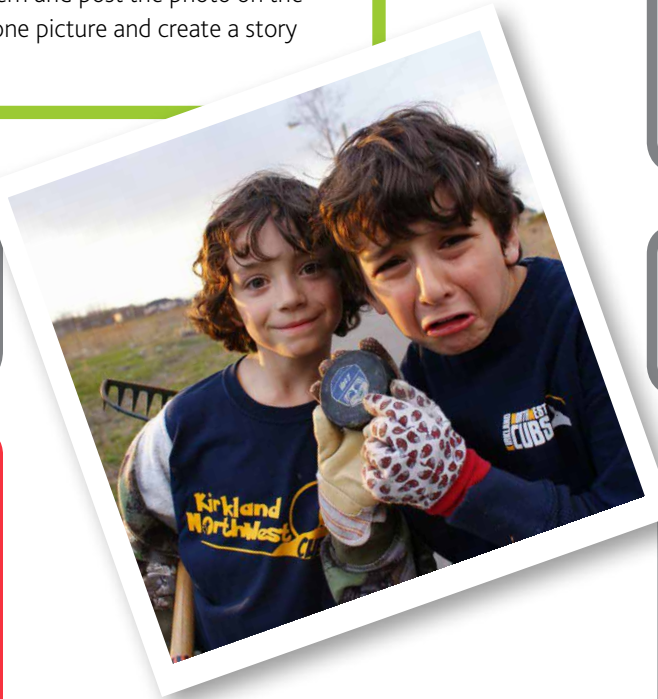

While cleaning a park or forest, you may discover some items that make you wonder: "How did that get here?" Get a picture taken with the item and post the photo on the "Wall of Weird" at your next meeting. As a Lair, choose one picture and create a story or skit about how the item got to be abandoned.

- What can you do to help keep trash off the ground?
- What would you do differently for another adventure like this one? Could you choose a different theme?
