

Plan:

- Decide what jamboree you would like to serve as an Offer of Service.
- What skills do you have to offer and how might they be used at the jamboree?
- Who in your area has helped at a jamboree and can share information with you?
- How do you make your application?
- What are the deadlines and training requirements to which you need to adhere?

Do:

- Do your part to put on an outstanding jamboree!

Review:

- What do you know now that you did not know before?
- What was successful about your experience?
- How did you feel before, during, and after this project?
- What would you do differently in the future?

Safety note:

When helping to organize a major Scouting event, it's important that Scouts Canada's safety policies are followed. Scouts Canada's *Bylaws, Policies and Procedures* will be a valuable reference. Consult an Area Service Manager or another qualified Scouts Canada staff member if you have any questions or concerns.

Online Resources:

Offer of Service

Citizenship

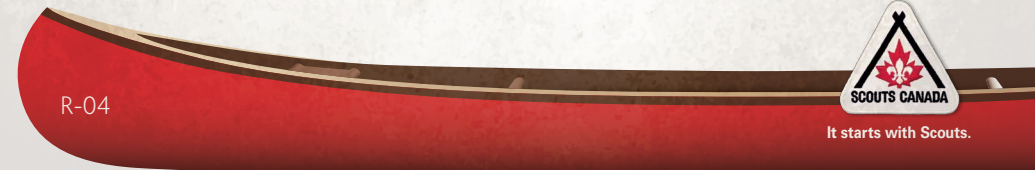

The Adventure:

Be an Offer of Service volunteer for a jamboree! Just think about some of the great experiences you probably had as a younger member of the Scouting Movement—this is a great opportunity to give back! This is also a good way to explore the logistics of putting on a major event. You can learn some valuable skills that you can apply to more than just Scouting.
