

Plan:

- When does Jamboree on the Trail take place? How can you find out?
- How will your Patrol or Troop take part?
- What weather do you expect for your hike? How can you find out?
- How should you dress?
- How will you get to the trailhead? Are you returning to the trailhead, or ending up someplace else?
- How well do you know your route? How can you learn about conditions on the trail?

Do:

- Take part in Jamboree on the Trail!

Review:

- What do you know now that you did not know before?
- How did knowing that Scouts all over the world were hiking at the same time as you make you feel?
- Why is it important to get outside and enjoy nature? Why is hiking a good way to do this?
- What did you see or hear on your hike that was special to you?
- How did your Patrol or Troop get along as a team on this adventure?
- What would you do differently next time?

Safety Note:

- Remember to leave a **trip plan** with a trusted friend or family member before heading out on your hike.
- What emergencies might take place on your hike? What equipment should you bring along to be prepared?

Jamboree on the Trail

RIDEAU TRAIL
Citizenship

The Adventure:

Jamboree on the Trail is an annual day for the World Scout Movement to hike together. All Scouts, whatever their age and wherever they may be in the world, are invited to participate in whatever way they can.

Your Scout Troop might plan to hike a trail you have never before visited, or you might make plans to go back to an old favourite. You might make your outing an overnight adventure, or just head out for an hour or two to be part of the event.

In their own way, everyone taking part will be hiking in the same direction: towards a better future through Scouting.
