Fun, friendship, frogs and, of course, gooey marshmallows on a stick. The first night they spend in a tent with friends, or see an otter splashing in a stream just a few feet away. And their first corny joke told around the campfire: sheer magic!

Scouting is a lot of fun—with a lot of firsts too! Is it any wonder why so many moments in the lives of Canadian children have started with Scouts? For over 100 years, Scouts Canada has brought a world of adventure, outdoor experience, friendship and fun to 17 million Canadian youth.

Scouts have fun adventures discovering new things and experiences they wouldn't have elsewhere. Along the way, they develop into capable, confident and well-rounded individuals, better prepared for success in the world. Scouts is the start of something great.

What happens when your son or daughter joins Beaver Scouts or Cub Scouts?

Your child's first experiences with Beaver Scouts and Cub Scouts take place in a safe environment, where the Scouters are caring and kind, and just as eager to discover the world as their youth.

They will be welcomed into a group of energetic boys and girls just like them. They will meet their Scouters, who will help them with anything they need to know about being a good Scout. They will feel respected and appreciated for their own uniqueness, and encouraged to bring all they can to their group and activities.

Scouts Canada's programs support:

- **Active and Healthy Living**— through outdoor fun and camping adventures, Beavers and Cubs naturally develop healthy lifestyle habits that they carry through life.
- **Skill Development** – parents tell us that kids in Scouts gain new skills, expand their interests and develop critical thinking.
- **Confidence Building** – Scouting's youth-led leadership model helps youth build self-confidence and develop social skills as part of a supportive team.

Scouts come from many countries and cultures. Today, 30 million youth and adults from more than 160 countries pledge to live by our founder Lord Baden-Powell's values:

Be kind. Do your best. Leave each place a little better than you found it.
