Create a Superhero

MALAK'S MAPLE

Leadership: Becoming a Leader

The Adventure:

Superheroes are all around us, but they come in many different forms! Some superheroes can fly or are super strong, some help in the community, and some are Beaver leaders just like you.

By yourself, or in Lodges, you will be creating your own superheroes. First, think about what kind of superhero you want to create. You might want to close your eyes and imagine how your superhero will use their powers to be a leader and do good!

Safety Note:

Ask your facilitator if you need help with scissors or other materials.

Plan:

- What do you need to make your superheroes?
- Do you want to draw, build, act like, or dress up as your superhero? Be creative!
- Does everyone know what a leader does?
- How are you going to share your superheroes in a group?

Do:

Learn about how superheroes are leaders, and what leadership looks like. Realize your superhero in whatever form you planned, and think about the following if you need help:

- What is your superhero's favourite food?
- What games does your superhero like to play?
- Does your superhero have parents, brothers or sisters?
- Does your superhero have a pet? What kind of pet? What is the pet's name?
- Does your superhero lead a team?
- How does your superhero spend his or her time when he or she is not needed as a superhero?
- Does your superhero have special powers when he or she is not needed as a superhero?
- Who are your superhero's friends?
- Does your superhero wear a costume?

Review:

- What do you know now that you did not know before?
- What strengths did your superheroes have?
- What weaknesses did your superheroes have?
- How can you be a real-life superhero?
- What are some of your powers?
