

SCOUTS YLT

Make a Comic!

MALAK'S MAPLE

Leadership: Communication

The Adventure:

Draw three panels of a superhero comic strip. Draw speech bubbles, but leave them blank.

When you are done, pass your comic strip to a friend to write what your heroes and villains are saying.

Safety Note:

Show respect for the work of others. Working together means sharing ideas.

Online Resources:

Where the "comic book font" came from
([youtube.com/watch?v=e31fNccOQSE](https://www.youtube.com/watch?v=e31fNccOQSE))

Plan:

- What things will you need for this adventure?
- Who will be your partner? How will you decide? Will you trade drawings, or pass them in a circle?
- How much time will you take for this adventure?
- How will you share the comic strips you create?

Do:

- Draw a fun comic strip!
- Help a friend to finish his or hers with speech for the characters!

Review:

- What do you know now that you did not know before?
- What was your favourite part of this adventure?
- How did you feel about the comic strip you made with a friend?
- How close were the words to what you wanted when you drew your comic strip?
- Why were the words close to what you wanted, or why were they very different from what you wanted?
