## Who Gets the Cookie?

### MALAK'S MAPLE

#### Leadership: Problem Solving

#### The Adventure:

You get one cookie for the group. You have two minutes to decide which person in the group gets the cookie. You must come to a consensus. That means that everyone agrees who gets the cookie. Your course facilitator will come back in two minutes to find out what you decided. If you can't all agree, no one will get the cookie.

#### Safety Note:
