

SC YLT

The Perfect Square

The Adventure:

Everyone grabs onto a big rope, blindfolded, and puts it into different shapes like a square, a star and a triangle. The more perfect the shape, and the faster you can make it, the better.

Safety Note:

Make sure the area is clear before you start. Don't trip over anything while you're making shapes.

Leadership: Teamwork

Plan:

- Which shapes do you want to make?

Do:

- Cover your eyes and make shapes with the rope. Have fun!

Review:

- What do you know now that you did not know before?
- How did you have to work as a team?
- What was the hardest part?
