# RED COAT TRAIL

## Leadership: Becoming a Leader

### The Adventure:

Troop Leadership Team (TLT) meetings can be stressful, but meetings can also be fun, funny and productive. For this adventure, separate into groups of six, and take on a role, such as Troop Leader, Patrol Leader and Assistant Patrol Leader.

### Safety Note:

- Respect the thoughts and feelings of others.
- How will you ensure everyone in the mock TLT can contribute to your meeting?

### Plan:

- What does your TLT agenda look like?
- How are you going to conduct your meeting?
- How are you going to follow the agenda?
- What is everyone's role in the meeting? How will they all contribute effectively?
- What is the desired outcome of your meeting?

### Do:

- Have a meeting!

### Review:

- What do you know now that you did not know before?
- How did your meeting go? What was decided? Discussed?
- How could a TLT meeting be done more effectively in the future?
- How can the agenda be improved?
- What did you do to make this meeting successful?
