## What is a Leader?

## RED COAT TRAIL

### Leadership: Becoming a Leader

#### The Adventure:

Everybody has a different opinion about leadership. In this activity you will brainstorm what a leader is. These ideas should be written down on a flipchart and displayed for future reference.

#### Safety Note:

While brainstorming, be sure to respect others' thoughts and ideas.

#### Online Resources:

#### Plan:

- How are you going to record your thoughts?
- Would this be best in small groups, a large group or individually?
- How are you going to ensure everyone gets a chance to contribute?
- Do you need to identify someone to lead the conversation? Or would a group discussion be better?

#### Do:

- Record your thoughts, and share!

#### Review:

- What do you know now that you did not know before?
- What ideas do you agree with? Which ones do you disagree with? Why?
- How did your group ensure everyone was able to contribute to the brainstorm?
- Does leadership mean something different to you now? Why?
