## Let the adventure begin...

Nature is a Scout's playground.

A place to discover new things and embark on great adventures.

A place where youth gain leadership skills by leading their peers on meaningful outdoor adventures.

Through a youth-led program, Scouts pave their own path to outdoor adventure and fun; selecting and planning the activities they want to pursue; surrounded by committed and passionate Scouters who create a safe and inclusive environment.

Along the way Scouts develop the skills, values and character that will guide them through every future adventure, at every stage in life.

The perfect place for kids to be kids, memories are made and friendships are forged through the countless campfires, hikes and overnight camps.
