

# Clothespin Race

## THE SWINGING BRIDGE Active & Healthy Living

### The Adventure:

With another Cub, work as a team to win a race. The two Cubs who can work together best will come out on top.

You and your partner will be held together with five clothespins. Clip the pins between you and your partner from your shoulders to your ankles (clip the pins to your shirts, shorts and socks).

As a Pack, agree on a race course. Find a place at the starting line, and when your Scouter says "Go!", race through the course as quickly as you can without losing any of your clothespins. The first team to cross the finish line with all five of its clothespins wins!
