

Plan your goal with your Group!

WHERE DO YOU START WHEN SETTING YOUR GOAL?

When fundraising, you always need a goal! What camping trip are you saving for? What big adventures do you have planned? If you aren't sure...ask!

HOW TO SET YOUR GOAL AND MAKE A PLAN

1. Think about what you want to do. How much will it cost?
2. Discuss how much you will need to raise with your Section.
3. Which neighbourhoods will you visit to fundraise?

Product List	My return	How many?	Total
