## PLAN

### Let's Chat!

- Go through what you will be doing during the meeting and set expectations for the night.
- Find a discussion question for the Beavers (and Scouters) to answer, such as "How can we all stay safe?"
- Leave time for the Beavers to share their answers but be ready to move on if the conversations fall shorter than expected.

**Have a body break!** Stand up, do some stretches or dance moves and shake it out before jumping into the activity. Moving about activities should be done frequently as the weather becomes colder.

## REVIEW & CLOSING

- Review what you did by discussing a couple of short questions (don't worry about everyone answering the question, but the same people should not always be answering); e.g., ask open-ended questions about the activity done tonight. "What can we do to help stop spreading germs?"
- Thank the Beavers for their time, and together, celebrate what went well! (e.g., "Thank you for your hard work and for paying attention tonight.").
- Did the meeting meet the elements of the SPICES?

- Run a version of your regular closing (e.g., songs, Closing Ceremony, etc.) are progressing during Virtual Scouting. Showcase the youth's successes.
