## Leadership Training/ Counsellor-in-Training Program

**YOUTH AGE: 12–16 YEARS**

Camp Samac's traditional Leadership Training (LT) and Counsellor-in-Training (CIT) programs will be merged this season to provide adolescents (12–16 years) vast opportunities for personal and professional development.

This **weekly day-program** will be designed with outdoor adventure, personal growth and community-building in mind. We endeavour to excite and challenge our youth with adventure while placing an emphasis on safety. **Our LTs/CITs will begin each day, Monday through Friday, at 9:00 am, with programming until 4:00 pm daily.**

Focuses will include:

- Team Building
- Effective Communication
- Conflict Resolution
- Resume Development
- Interview Preparation
- Program Planning
- Leadership Styles
- Outdoor Skills Training

Participants will receive feedback from our seasoned Summer Staff throughout their experience. Youth can opt to participate in a mock interview and/or choose to plan and facilitate a session for their peers. Staff will provide a written evaluation for these LTs/CITs to speak in future portfolios or job interviews. LTs/CITs will receive a certificate acknowledging their successful participation in this program.

*While the program goals remain unchanged week-to-week, the coinciding workshops will change on a regular basis to ensure CITs/LTs joining us for multiple weeks will be challenged in new ways and continue building on their development throughout the summer!*

**All CITs/LTs will be required to abide by the health & safety protocols in place while on property, including but not limited to social distancing, handwashing/sanitizing, and masking requirements.**

Maximum 12 participants per week. Our CIT/LT group will have their own designated area on the property with assigned programming times and will not be interacting with other guests on-site.
