Religion in Life Program

Membership in Scouts Canada is open to all girls and boys who wish to make the promise, regardless of race, colour or creed. The purpose of the Scouts program is to assist girls and boys in character development by encouraging them to be responsible citizens of their country. An important part of the program is to assist in the spiritual growth of each girl or boy in their own religious community. Scouts Canada upholds the principle that specific religious instruction is the responsibility of parents and religious authorities.

Purpose

The purpose of this program is to provide Scouts with an opportunity to explore their faith, to make it a basic part of their personal life, and to share it with others.

The Emblem

The emblem consists of a great circle, the symbol of eternity. In the circle are the first and last letters of the Greek Alphabet, Alpha and Omega, a symbol of God, and a reminder that the worship and service of God form an essential part of life from beginning to end.

Requirements

The requirements for the Religion in Life program differ in each faith and denomination and are prepared nationally by the Churches or religious bodies to suit their particular needs.

Instruction

It is the responsibility of the group/section committee and leadership team to arrange for instruction of candidates with the candidate's own spiritual leader or appointee.

Presentation

Presentation of the emblem is made by the candidate's spiritual advisor and can form an impressive part of a regular Scout meeting, a church service, or a special evening for parents/guardians.

Stages

The Religion in Life program is in four progressive stages, colour-coded and adapted to the age groups concerned.

Stage 1 — Grey Border (about 7–8–9)

Stage 2 — Green Border (about 10–11–12)

Stage 3 — Blue Border (about 13–14–15)

Stage 4 — Red Border (15+)

Candidates may start at any stage appropriate to their age and capabilities. Only one emblem - the latest stage earned is worn.

The emblem may be obtained from provincial offices or through regular badge channels.

Religion in Life Program for Scouts in Canadian Baptist Federation Churches

1. **The Religion in Life Program** for Baptist Church Scouts has been developed by the Baptist Convention of Ontario & Quebec for Baptists across Canada. The program is focused for age groups that compare with the section age groupings for Scouts.
 - Stage 1** (Grey Border) Cubs
 - Stage 2** (Green Border) Scouts
 - Stage 3** (Blue Border) Venturers
 - Stage 4** (Red Border) Rovers

2. **Basic Requirements.** Be recommended by your pastor or chaplain as to eligibility for participation in the Religion in Life Program. Confirmation of active participation on a regular basis in worship services and Sunday School is also required.
3. **Standards** are suggested by the information included with the four stages of the program but keep in mind that these are guidelines only. They are meant to be flexible enough to encourage creativity in developing programs and projects which might enhance the learning experiences of the participant while maintaining the spirit of these standards. Leaders should feel free to adopt resource materials to suit local situations and to interpret the guidelines so as to give maximum encouragement to each Scout on his/her faith journey.
4. **Leadership** for this program may be given by the pastor or any designated member of the congregation recognized as a Scout spiritual leader by the pastor and/or the congregation.
5. **Instruction** may be given in a group or individually in any number and for such length of time as agreed upon by the leader and participants.
6. **Presentation** of the emblem is most appropriately made at a regular service of worship by the pastor so the congregation can be supportive, informed and celebrate with the recipients in receiving their Religion in Life Emblem. Scouts Canada might also participate in the planning and/or conducting of the service.
7. **Every Baptist Church Scout** should attempt to qualify for the emblem. Every Baptist Scout leader should be the kind of example in his/her faith journey that would encourage efforts in this direction.

It starts with Scouts.
