

# Religion In Life Program

## Canadian Conference of The Mennonite Brethren Churches

Published for the Community by Scouts Canada

### Religion in Life Program

Membership in Scouts Canada is open to all girls and boys who wish to make the promise, regardless of race, colour or creed. The purpose of the Scouts program is to assist girls and boys in character development by encouraging them to be responsible citizens of their country. An important part of the program is to assist in the spiritual growth of each girl or boy in their own religious community. Scouts Canada upholds the principle that specific religious instruction is the responsibility of parents and religious authorities.

### Purpose

The purpose of this program is to provide Scouts with an opportunity to explore their faith, to make it a basic part of their personal life, and to share it with others.

### The Emblem

The Christian Religion in Life emblem consists of a great circle, the symbol of eternity. In the circle are the first and last letters of the Greek Alphabet, Alpha and Omega, a symbol of God, and a reminder that the worship and service of God form an essential part of life from beginning to end.

### Requirements

The requirements for the Religion in Life program differ in each faith and denomination and are prepared nationally by the Churches or religious bodies to suit their particular needs.

### Instruction

It is the responsibility of the group/section committee and leadership team to arrange for instruction of candidates with the candidate's own spiritual leader or appointee.

### Presentation

Presentation of the emblem is made by the candidate's spiritual advisor and can form an impressive part of a regular Scout meeting, a church service, or a special evening for parents/guardians.

### Stages

The Religion in Life program is in four progressive stages, colour-coded and adapted to the age groups concerned.

**Stage 1** - Grey Border (about 7–8–9)

**Stage 2** - Green Border (about 10–11–12)

**Stage 3** - Blue Border (about 13–14–15)

**Stage 4** - Red Border (about 15+)

**Stage 5** – Tan Border (adults)
