### Religion in Life Program

Membership in Scouts Canada is open to all youth who wish to make the promise, regardless of race, colour or creed. The purpose of the Scouts programmes is to assist youth in character development by encouraging them to be responsible citizens of their country. Part of the programme is to assist in the spiritual growth youth and to encourage them to participate actively in their own religious community. Scouts Canada upholds the principle that specific religious instruction is the responsibility of parents and religious authorities.

### The Emblem

The Christian Religion in Life emblem consists of a great circle, the symbol of eternity. In the circle are the first and last letters of the Greek alphabet. Alpha and Omega a symbol of God, and a reminder that the worship and service of God form an essential part of life from beginning to end.

### Instruction

It is the responsibility of the leadership team to arrange for instruction of candidates with the candidate's own spiritual leader or appointee.

### Presentation

Presentation of the emblem is made by the candidate's spiritual advisor and can form an impressive part of a regular Guide or Scout meeting, a church service, or a special evening for parents/ guardians.
